Kiddies' Parade Is Set For This Saturday

The Kiddies Christmas parade which is being sponsored by the Chamber of Commerce and Merchants of Campbell, will be held at two o'clock Saturday, in downtown Campbell. The parade is open to all children up through the sixth grade who wish to participate. They may come in any costume they desire, or in uniforms of the various childrens Clubs or groups to which they belong. The parade will be headed by a section of the famous Military Post Military Band and followed by Santa Claus who will ride through town on the new fire truck to the Campbell Grammar School where he will pass out candy and fruit to all good little children of the parade.

The parade will form at Hunt's Foods lot in the rear of the cannery and move south on Harrison to Campbell Avenue, west on Campbell to Third Street, and down Third to the Campbell Grammar School.

The merchants of this community with the co-operation of City Officials, are spending time and money to dress up the town this year and to sponsor the parade

with Santa distributing his treats. Merchants say this is to show their appreciation and good will to people of the community for their patronage.

These merchants are supplying the candy and fruit which Santa will distribute to the children after the parade: J and A Food Market, AA Market, Maderis Foods, Field's Grocery, Orchard City Grocery and Appliance, Cheerio Corner Grocery, Harold's Fruit Stand, Lico's Market and Bernard's Grocery.

Chief of Police Robert Locke and Fire Chief Jack Scott are co-chairmen of parade arrangements. Traffic will be turned off Campbell Avenue by the Police between the hours of 1:30 and 3:00 p. m. and no parking signs posted along the street for these hours.

Bob Seligson is chairman and Cel Gerevas co-chairman of the Merchants committee of the Chamber of Commerce for the parade. The Christmas party is under the direction and co-chairmanship of the Christmas decoration committee headed by LeRoy Black and Robert Curry.

Campbell Author

LATHROP'S NOVEL TO BE DRAMATIZED ON TV SHOW

Gilbert A. Lathrop of Campbell, has just been notified that his new book, "Little Engines and Big Men" is to be dramatized for a 30-minute presentation on the Ford Co. T. V. show, "Omibus" heard each Sunday afternoon at two o'clock over the national network. Alastair Cook who is in charge of the Omibus has asked for the type of costumes for those in the play, and for Lathrop to go to Colorado to help in supervision and be prepared to make the commentary for T. V. recording.

The 326 page book is just off

the press, with 28 chapters and 35 illustrations. It was published by Caxton Printers, Ltd. and is exceptionally well bound. The story is of men and women who built and who later worked on the narrow-gauge railroads of Colorado including the tiny wood-burning locomotives that peanut-whistled their ways through mile-deep canyons of the Colorado Rockies before the turn of the century.

Lathrop has written and sold some one thousand stories for Colliers and other national publications.

CHARITY LODGE F&AM TO HOLD 52nd INSTALLATION

The 52nd installation of officers for Charity Lodge No. 362, Free and Accepted Mason is to be held at 8 o'clock Saturday evening in the Campbell Grammar School cafeteria with Dean Chamberlin, past Master as the installing officer.

Charles E. DeSelle, also a past Master is to be master of ceremonies, with Betty Morton as pianist and Evelyn Buck as guest artist. Ushers are to be Walter Elkey, George Jeffers and David Sanders.

Officers for 1955 to be installed are Donald F. Hartman as Wor-

shipful Master, Theodore Schenk as Senior Warden, Ross Fuller as Junior Warden, Roy Archibald as Treasurer, T. Arthur Robinson as secretary, Edwin B. Parker as Chaplain, Robert McEuen as senior Deacon, Adam Scholle as junior Deacon, William Enochs as Marshall, Rudy Nelson as Senior Steward, Benjamin Brahrer as Junior Steward and George Hartwell as Tiler.

The lodge was founded in 1902. George S. Robson who was Master of the Lodge in 1910 is the oldest living Past Master.

HENLEY INSTALLED AS LT.-GOVERNOR KIWANIS AT LA RINCONADA BANQUET

J. Hugh Jackson, a Stanford University professor and a Past President of Kiwanis International, conducted the installation Tuesday evening of William C. Henley of Campbell as 1955 Lieutenant-Governor of Division 12 in ceremonies following a banquet at La Rinconada Country Club. Jackson told of the recent growth of Kiwanis and that Division 12 is one of the key areas in all the United States and Canada for growth, two new clubs having been founded here in 1954.

There were more than 200 present at the banquet including Kiwanis members and ladies of twelve clubs in the division. Gifford Sobey of Los Gatos is the out-going Lieutenant Governor, Henry Jewell, president of the Campbell Club introduced District and Division officers at the head table and Dr. Wyland R. Morgan, past Lt.-Governor introduced the installing officers. Elliott J. Taylor of the College of Pacific at Stockton, Governor Calif.-Nevada-Hawaii District presented Sobey with the past Lieut.-Governor's pin.

The Campbell Kiwanis quartet pleased with a series of numbers and responded to encores. Lloyd Nelson sang, "Count Your Blessings".

Henley is district superintendent of the Campbell Grammar Schools.

MONROE SCHOOL BIDS OPEN TODAY

Sealed bids are to be opened at two o'clock this afternoon for the construction of the new Monroe School as approved recently by the electorate. On completion it will become the tenth public school of the Campbell Union Elementary School District. The bids are being opened at the administration office on north Third street.

WM. C. HENLEY
Kiwanis Lt.-Governor

Yule Playlet At Baptist Church

"Holly Wreath", a playlet with a cast of ten children, will be presented at Christmas program of the First Baptist Church under the direction of Jeff Gilley, superintendent of the primary department, on Wednesday, December 22, at 7:30 p. m. The junior department is also preparing a play for the same evening supervised by Mrs. Wanda Norton. Plans have been made for a Christmas tree and treats for the children with carol singing by the congregation. A new minister, Reverend Floyd Strickland of Snyder, Texas, has been extended a pastoral call by the church and is coming to visit and preach both services on Sunday.

Cambrian Election Is Called For March, 1955

A Citizen's Committee for Education has been organized in the Cambrian Park School District through the Home and School Club, purpose being to inform voters concerning the forthcoming election. The tax increase election failed by four votes on November 30, so because there is dire need for more classrooms to take care of rapidly increasing enrollments, another election has been called for March 10th by the Board of School Trustees.

At the meeting Wednesday of the Home and School Club many people expressed a willingness to serve on the committee.

In order to vote March 10, it is necessary to be registered by January 15, 1955 and stations for this purpose have been set up at the Cambrian Fire House on Casey Road and at Daugherty's Drug Store at 14309 Union avenue. Rides to register are being provided by the committee and baby sitters can be arranged for while at the registration station. For those wishing this service, call Mrs. Edgar Banks (FR 8-4650) Mrs. M. Estabrook (FR 8-2732), Mrs. Helen Heinrich (FR 8-5775) or Mrs. Lorraine Gerin (FR 8-3616).

The election March 10 will call for increasing the tax rate from 90c to \$1.50 for the operation and maintenance of buildings and for personnel and is not for new buildings. The present tax rate of 90c was set twenty years ago and, unlike most school districts, has not since been changed in spite of increased cost.

Cambrian district, as a result of the recent defeat of the proposed tax hike, faces discontinuance of such special subjects as shop, home economics, music and speech therapy. In addition, cafeteria and hot lunch programs and eventually school bus service will have to be discontinued, according to Bagby.

Attendance in Cambrian schools already has increased from 950 at the end of last year to 1303 now.

SEWER SERVICE IS SOUGHT FOR EAST CAMPBELL AREA

A petition by property owners proposing a sewer assessment district to serve six streets in East Campbell is being studied today by Sanitation District No. 4 of Campbell. The area includes McBain, El Solvo, Apricot, and East Campbell Avenue and Ridgely and Fewtrell drives, all east of San Jose-Los Gatos Highway.

Henry Sermuks Installed Head Of Geo. Tutt Lodge

Officers for the George Tutt Lodge No. 722 F. & A. M. were installed in open ceremonies last night at the Parker Elementary School on Union Avenue, with Nels H. Johnson, past inspector 372nd Masonic District as installing officer.

Installed as Worshipful Master was Henry P. Sermuks, P. M. who succeeds Thomas E. Daugherty.

Other officers installed to serve next year are Harold C. Loder, senior warden; George D. Stroope, junior warden; David K. Graham, treasurer; Vernon T. Cornish, secretary; Galen E. Thompson, P. M., chaplain; George French, senior deacon; D. Leonard Detrick Jr., junior deacon; Gilbert L. Paul, marshall; Albert W. Lederich Jr., senior steward; Willard F. Parsons, junior steward, and Clarence H. Tarr, tiler.

Lawrence E. Hendricks, P. M. was master of ceremonies.

Vocal solos were sung by Mrs. Marianne Morell, accompanied by Mrs. Blanche Reynolds. A piano solo was presented by Mr. Roger Benemelis.

Past Masters of the lodge are Daugherty and Hendricks. Past Masters by affiliation include Sermuks, Galen E. Thompson, and Neil W. Nelson.

Ushers at the installation were Joseph Feasel, Herschel Morgan, and Claude Barham.

Camp Fire Leaders Install Officers

Adult leaders of thirty-two Camp Fire Girl groups of the Campbell district held their December meeting in the home of Mrs. Mozelle Turner on Bellerose Avenue when they installed new officers. During the ceremony outgoing officers handed over their candles to the new officers for the ensuing year.

The ceremony was followed by a discussion of plans for Christmas service projects, demonstrations of folk dances by Mrs. Ludeke of San Jose, and Blue Bird songs by Mrs. Ballentyne, and a show of colored slides on the activities of the Camp Fire Girls in this area by Mrs. Turner.

Outgoing officers were Mesdames Bea Jauncey, Dorothy Ricca, Helen Archibald. New officers are Mesdames Genie Smith, chairman; Beverly Gardner, vice chairman; Virginia Means, secretary; Mary Ballentyne, delegate to the board.

The M. H. deYoung Museum is San Francisco's largest museum.

CHRISTMAS CARD Greeting shown as above on 15 by 40 display board at Campbell High School is attracting favorable attention of motorists. The display was prepared by the Industrial Arts department and was financed by the Campbell Stamp Association.

Excellent Concert Held; Patrons Asking More

By Vivian Faulkner

The concert given Friday evening by Memory Post Symphony Band in the Campbell High School auditorium far surpassed any concert ever given before in Campbell. Sam P. Cava, conductor of the fifty-two piece band and president of the Campbell Chamber of Commerce, was superb in directing the highly varied program and displayed a mastery command over his men who responded with a magnificent performance. Cava is truly an artist, according to the consensus of opinion generally and profusely expressed by patrons following the concert.

Dr. Robert Jasmine introduced Mayor Richard Morton after intermission who referred to the concert as a cultural tribute to the people of the community which he hoped would be repeated in the near future with a much larger attendance. Saying, "As an erstwhile clarinet player of no ability", he was pleased to recognize one of the musicians in the band, Alfred Thielke, who had been his instructor and the first music teacher at the Campbell School. He also recognized a former classmate, Don Dietz, as a member of a band in which they had both played at one time. Mayor Morton introduced Jim Muir, the football coach, praising him for the fine work

with the football team. Then the band struck up with the Campbell High fight song, composed by Frank Triena, head of High School music department. Cava then introduced eight musicians who live in the Campbell area who are all professional people, teachers or former players with well known bands who had tired of travelling and wanted to settle here.

The band opened the concert with the National Anthem, followed by a brilliant march "On the Mall" by Edwin Goldman. The William Tell overture was perfection plus. It is very doubtful it has been better played by any other symphony band or orchestra, and received the most applause of any number. The "Storm" scene was a realistic rendition and was followed by the calm of the storm with a duet of flute and oboe played by Miss Dorothy Fouch and Wayne Sorrensen, accompanied by woodwinds and horns of the band. Miss Fouch is a teacher at Rosemary School and Sorrensen is Associate Professor of Music at San Jose State College who teaches oboe, flute and bassoon. Mrs. Katherine Sorrensen, who is a graduate of Campbell High, also plays flute and is one of the finest players in this area.

Waltz "L'Estudiantina" had a touch of Spain and was well re-

ceived. "Home Sweet Home the World Over", was especially well received and found the audience calling for encores. The reading of "Rigoletto" was marvelous and the solo work done by Charles Rudd, first clarinet, in "Dearest Name" was perfection. "Showboat" with its many selections such as "Make Believe" and "Old Man River" was thoroughly enjoyed. The variations of the theme in "Pop Goes The Weasel" was also very well received by the audience. The Intermezzo scene "In A Persian Market" brought a real Persian atmosphere with woodwinds predominating in this number, particularly Charles Rudd and Wayne Sorrensen on oboe with Fred Dutton on bassoon. The band closed the program with an exceedingly stirring rendition of "Stars and Stripes Forever."

The singing of Salina Profaizer, Salvatore Garofalo, and Carmela Giacalone in all solo numbers as well as duet numbers was done in a professional manner and was very well received by patrons, including the carols in which the three singers participated. The community sing of old favorites was also thoroughly enjoyed. The program as a whole, was varied enough to please the taste of all present.

Double Fire Alarm Occurs For First Time In Campbell

For the first time in the history of the Campbell Fire Department two fires occurred simultaneously. Thursday night December 9 at 7:40 p. m. firemen were called to a structural fire at the Five Spot Cafe where a short in the neon lighting system ignited shingles on the roof. Firemen kept damage to a minimum and prevented the fire from gaining further headway. Engine 2 and 3, with three regular and eleven volunteer firemen responded to the alarm.

The second call, from Hunt's Foods, came at 7:54 p. m. while the men were fighting the fire at the Five Spot. Due to the fact that Fire Trucks are not equipped with a communication system, local Police transported some of the firemen back to the firehouse where they picked up another engine and proceeded to the burning area of the cannery to extinguish a small structural fire near the box yard which caused minor damage.

Regular and volunteer firemen held their regular monthly heavy equipment drill last Sunday, December 9th.

The Campbell Water Company installed a new fire hydrant last Friday to replace the old one located on N. 3rd. near Grant.

NEW CAMBRIAN SCHOOL PLANS TO BUILD WITH TERMITE-PROOF WOOD

New lumber being used at the Steindorff school now under construction in Cambrian Park has received the Chemonite pressure treatment which gives it the appearance of being old lumber. Purpose of the treatment is to protect against termites.

It is pointed out that three recently built schools in the Los Gatos area have been infested with termites, two by the dry wood type during construction and one by the subterranean type after construction.

The two schools were fumigated after completion at the expense of the contractor, but such treatment was no guarantee against return of the insects.

The architectural firm of Evans & Lincoln, after much investigation, believe they have found the solution to the problem of termites by specifying Chemonited lumber for all wooden members in the school buildings.

When building lumber is impregnated with Chemonite under pressure, it becomes immune to termite or dry rot attack, and the protection lasts indefinitely. Outstanding characteristics of Chemonite lumber are that it is clean, odorless, paintable, and inexpensive.

The cost of protecting the entire school structure against future termite attacks by using Chem-

onited lumber is somewhat more than the average cost of one fumigation, according to architects, Evans & Lincoln.

Chemonite is a salt type wood preservative developed by the scientists at the University of California, and it has been tested under every possible condition during the past 25 years.

The New Cambrian School District can feel that the growing problem of termite infestation at the new school has been corrected according to the contractor, Sam Barth.

San Jose Ready To Annex Camden High School Area

The County Boundaries Commission on Monday approved for annexation to San Jose of land south of Union avenue west to San Jose-Los Gatos Road which includes the new Camden High School.

SHORT MEET TONIGHT

Members of the Campbell Planning Commission are to hold a short meeting tonight to set a date for hearing an application for rezoning property of Security Enterprises on Hamilton Avenue.

EDITORIAL

READ THE SIGNS AND LIVE

Not so long ago an announcement was made in this newspaper by Assemblyman Bruce Allen that the speed limit on the stretch of the San Jose-Los Gatos Road between Camden avenue and Hamilton avenue had been reduced from 55 to 35 miles per hour and that the road would be posted accordingly. We hailed this as a fine bit of news in that the Chamber of Commerce and the City had advocated a reduction in the speed limit in the interest of traffic safety.

Cars seem to whiz by at the same old pace. The police can't watch all of them and be everywhere at once. This is a two-lane road, one of the busiest in all of California.

The state legislature is being urged to increase the maximum speed limit on California highways from 55 to 65 miles per hour. Why?

Is it that construction of more freeways demands a higher speed limit? With greater horsepower in the new cars, has the safety factor changed? Is the driver improved?

A lot of motorists do not know how to use the modern freeway. Signs along the road giving warnings, flash by and fail to register in the minds of many motorists.

A speed limit is not the answer to traffic safety. Nor is the building of smoother and wider roads, or of more powerful cars with the last thing in braking factors.

The man at the wheel who is alert to safety is worth more than the fellow who wants to set the pace for everyone. To him, signs mean just what they say—and he will be a motorist for a long time.

ACCOMPLISHMENT MERITS APPLAUSE

Last Friday evening, in the High school auditorium, this community had the pleasure to hear an excellent program presented by Memory Post American Legion Band, and directed by Mr. Sam Cava, owner of the J&A Food Mart, and president of the Campbell Chamber of Commerce.

Notwithstanding the efforts of many other members of the local Chamber, we wish to pay tribute to the fact that this splendid concert was principally planned and arranged for by Mr. Cava. This community is fortunate, indeed, to number among its businessmen a man of such character and ability in so many different fields of endeavor. Perhaps we might liken such a person to a chameleon, which changes its colors to suit the occasion. By day a prosaic businessman, by night, an artist of no mean accomplishment.

We would like, also to take this opportunity to thank the fifty or more Legion musicians who provided us with such an enjoyable concert. CC

RETURN OF THE SARDINE

Large schools of sardines have been seen from Eureka to Fort Bragg and the small fry are plentiful near Monterey. This might indicate that one of Northern California's flourishing industries may be back in business next season. Purse seiners and their crews will meet at San Francisco next August to see how far along the industry can go.

The season closes January 15, so it is too far along to start the pack. That will mean the schools will be every bit as big next year.

BACK TO GRANDMA'S HOUSE

For the Christmas and the Thanksgiving seasons there always follows a warming feeling about the good old days back at Grandma's house where there was turkey and dressing on the table along with the spiced peaches, a pitcher filled with cream, some fruit cake, pumpkin and mince pie.

The snows of yesteryear fall gently in memory and the spicy, woodlike smell of the old farmhouse wafts in on the gentle winds of recollection. In the glare of the streamlined, stress-and-strain present, the past of the one-horse sleigh seems to glow like a kerosene lamp in a snowbound farm window.

It is good to go back to Grandma's house, even if only figuratively—back to the courtesy and repose, the family solidarity and the neighborliness of simpler days. It is the present, however, that is ours to live; the future ours to make. The lack of scientific gadgets and devices wasn't the source of the past's virtue. Nor is our possession of them the sole cause of present troubles.

The best present we can bring back from Christmas at Grandma's house is a realization that the goodness and serenity of life can survive hardship or luxury equally well if it has a firm foundation in the heart.

THE McCARTHY TEMBLOR

Senator McCarthy seems to have crawled out on a limb of the political tree so that he can have more freedom to bounce up and down. The trunk of the tree and its roots represent good government, and one limb won't shake it. The Wisconsin Senator has done good service in the past, but by now the public has become skeptical of his effectiveness. He keeps stirring away at what he says is a mess back there in Washington at the expense of the taxpayers and we don't like the way he is trying to push the Chief Executive into it. Isn't there something else Congress can do for a while so members can earn their pay?

Shopping Behind The Iron Curtain

The Campbell Gambol

THEY'LL BE SEEDING The clouds up yonder for the next three months to stimulate the fall of rain and our hopes for a higher water table in the Santa Clara Valley... nature has already brought the season total to 4.55 inches as compared with a 4.24 normal, but that is not enough to change the water storage below the surface of the earth. County is to pay some \$30,000 for the three months service which is small enough bite out of the seven million dollar budget for the good it will do the valley, and those who seem to know will say the seeding won't start a rain but it will help along the ones that are self-starting... in the meantime the valley wants some support on getting water here from the American River but unless there is an organization set up to work and plug for it constantly, we'll just have to go along with the seeding then doing a little mopping up in flood areas as the clouds cry over the way man disturbs them.

BOB OLSON Who keeps us posted on high school activities attended a morning concert Monday when Theodore Ullman, pianist appeared at assemblies, commenting... he was no Liberator and that is all for the good, as he used no candelabra, wore no tails, cracked no jokes, jerked no teeth, didn't wink and kept all teeth covered, rather he played with all he had so that even the dullest listener realized that this was a rare, musical experience... he spoke in a quiet voice of appreciation and tolerance, then returned to the stool and piano which were shipped here for him.

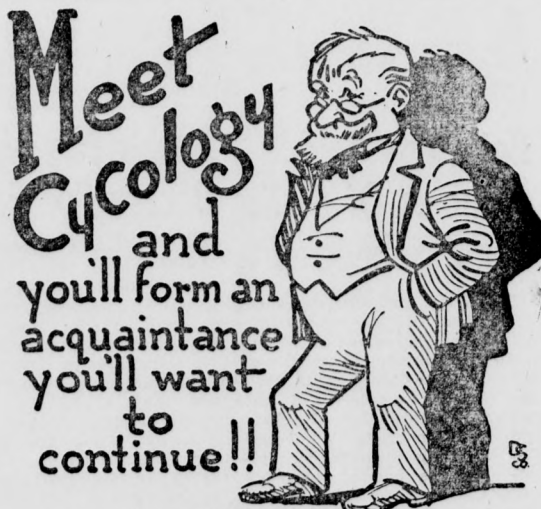

COMMUNITY CHRISTMAS CARD On the lawn at the high school is one of the nicest displays we have seen and it goes well with the pole decorations set up along Winchester Road, and Campbell avenue by the Chamber of Commerce... the sign which is well lighted at night, arrests the attention of the passing motorist and gives a warm feeling of community pride to those of us who have chosen to make Campbell our home... the sign is forty feet long by fifteen feet high and it will be a permanent display for future seasons with the inscription changing year by year... designed by Robert Culp, Wesley Berg and Frank Meiss of the industrial arts department at the school it is even equipped for music piped from the school... the Campbell Stamp Association helped defray cost of the sign.

NEED LEADERS IN SCOUT WORK

"The difficulty every youth organization faces of finding enough good volunteer adult help is becoming greater in Campbell because of the rapid growth here", say Girl Scout leaders from Campbell, Cherry Lane and Rosemary Schools who met recently to discuss neighborhood plans and problems. Many girls who have been active scouts cannot find a leader and have to give up Scouting when they change schools. Leaders have been asked to help find more leaders so that every girl who wants to become a Scout may do so.

Several leaders reported their troops have sold their quota of calendars and that there are still a few left which may be purchased before the sale ends December 12th. The sale of calendars is part of the Girl Scouts' effort to finish their new Camp Skylark. Other topics discussed were possibilities for service at Christmas, the use of Senior Scouts as program aides, and the need for a piano in the Scout Hall. The next meeting was set for February to plan for the cookie sale and Girl Scout week in March.

Campbell Grammar School was represented by Mrs. Chester Johnson, Troop 145; Mrs. Julia Whiteside and Mrs. Joseph Thiroux, Troop 194; and Mrs. Paul Roberts of Troop 125. Cherry Lane by Mrs. Donald Austin and Mrs. Bernard Barrett, Troop 85; Mrs. Clifton Franklin, Troop 368; and Miss Judy Weymouth, Troop 350. Rosemary by Mrs. M. E. Willoughby and Mrs. Maxine Morton of Troop 371.

"THE MAN WHO'S TOO BUSY TO MAKE FRIENDS IS SELDOM TOO BUSY TO NEED THEM. WITHOUT BRAGGING, I THINK I'LL PROVE TO BE JUST ABOUT AS INTERESTING AND ENTERTAINING A FRIEND AS YOU'VE MET IN A YEAR OF YESTERDAYS. I'LL BE SEEING YOU IN THE ADS RUN BY

TELEPHONE CO. PAYS WHOPPING BIG TAX BILL

check for \$512,884.85 was presented today to Roy P. Emerson, Santa Clara County tax collector by T. T. Cook, Jr., district manager for Pacific Telephone.

The amount covers payment of the first installment of the company's 1954-1955 ad valorem taxes on Santa Clara County tax bills, and includes city taxes collected by the county for Alviso, Campbell, Gilroy, Los Altos, Milpitas, Morgan Hill, Mountain View, San Jose, Santa Clara, and Sunnyvale. This payment does not include city taxes for Los Gatos and Palo Alto, which cities collect their own taxes.

This installment gives Santa Clara County for general county, school, and special district purposes the sum of \$435,509.87.

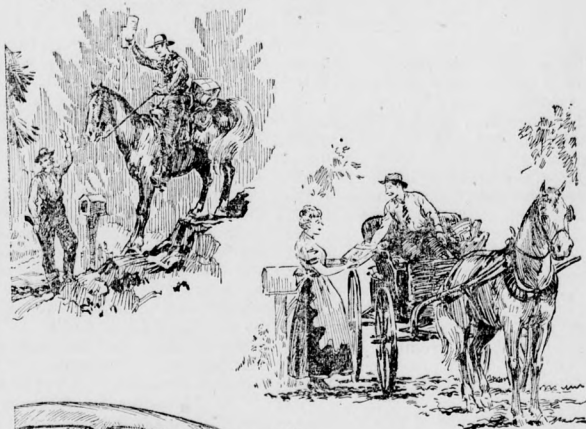

First installments of city taxes collected by the county were for San Jose, Santa Clara, Mountain View, Sunnyvale, Campbell, Los Altos, Milpitas, Morgan Hill, Gilroy and Alviso. Largest of these were for San Jose (\$56,885.91) and for Santa Clara (\$11,444.17). The amount paid for Campbell was \$1,191.18 for the first installment.

Cook stated that the telephone company's total ad valorem tax bill for 1954-1955 in Santa Clara County for all city, general county, school, and special district purposes will total \$1,067,461.89. This is \$130,882.60 or 14 per cent more than the previous year's taxes paid by Pacific Telephone in this county, Cook commented.

The United States exported about 48 per cent of its wheat crop in 1952.

Operetta To Be Presented At San Tomas

"Terry's Christmas", an Operetta, will be presented by fifth and sixth grades of San Tomas School at a program for parents and pupils tonight at 7:45 p. m. in the cafeteria. Director of the musical is Mrs. David Graham-Armstrong, assisted by Mrs. Henry Duus and Mrs. Leland Johnson. Entertainment will be opened by the primary children singing Carols. Yuletide selections will also be presented by a chorus of 40 voices under the direction of Eugene Blackburn, accompanied by Mrs. William Powell.

Santa Claus will visit the school on Friday during a program to be given by lower grades.

IN CAMPBELL'S KITCHENS

This week's recipes are from Mrs. Glen Robinson of 521 Apricot Way who gives us a recipe for Scotch raisin bread and a pumpkin pie which she has been using for the past thirty-five years.

FLUFFY PUMPKIN PIE

1 cup pumpkin
1 tablespoon melted butter
1 cup scalded milk
1/4 teaspoon ginger
pinch salt
1/2 teaspoon vanilla
1/2 cup sugar
1 teaspoon cinnamon
2 large or 3 medium eggs.

Add beaten yolks of eggs to other ingredients and stir rapidly. Just before putting in unbaked pie crust, add whites of eggs which have been beaten until stiff. Sprinkle with nutmeg and bake at 400 degrees for 30 minutes.

SCOTCH RAISIN BREAD

1 egg
1/2 cup sugar
1 cup buttermilk
1/3 cup light molasses
1 and 1/3 cups sifted flour
1/2 teaspoon salt
1 teaspoon soda
1 cup rolled oats
1/4 cup chopped nuts
1 cup raisins
1/4 cup melted shortening

Beat egg until light; add sugar gradually beating until fluffy. Add buttermilk and molasses, mixing well. Sift together flour, salt and soda; add to egg mixture. Add rolled oats, nuts and raisins, stirring only enough to combine. Fold in melted shortening. Bake in greased paper lined loaf pan at 350 degrees for 50 to 60 minutes. Store in bread box one day before slicing. Makes one loaf.

Season's Greetings

Greetings of the Season. Put out by Campbell High A message of Good Will To all the passers-by.

It is well worth seeing. This giant Christmas Card. It stands upon the corner Right in the High School yard.

It pictures two old timers, With message of Christmas Cheer Wishing you the very best Bright Christmas, Glad New Year. —Clara Beebe Baldwin

Child Guidance Topic Of C.C.P.T. District Meeting

Six members of the staff of Santa Clara County School department with Dr. C. R. Timpany, assistant superintendent of Schools as Moderator, presented an interesting and informative panel discussion at the district meeting of the Sixth District California Congress of Parents and Teachers held Monday in Gilroy.

Miss Botilda Hansen stressed the age group of kindergarten through third grade; Dr. Lola Fay Gordon presented a talk on age level grades fourth through sixth; Dr. Orion Keesler brought some new ideas of guidance to grades seventh through ninth; Dr. Arian Cakebread covered grades ten through twelve, after which Dr. Nan Allen presented a film "Guidance through curriculum". The program covered the kindergarten period of gradual growth, to becoming responsible citizens fitting into a changing world. A short question and answer period was followed by the regular business session.

Mrs. Robertson, president of the Sixth District C. C. P. T., made two announcements of important events to watch for; "The World We Live In", to be shown at Roosevelt Junior High School December 21 for the benefit of retarded children, and a free lecture by internationally famous psychiatrist, Dr. Franz Alexander on "Personality Growth and Development" at the Montgomery Theatre in Civic Auditorium on February 8th.

Auxiliary Gives Yuletide Party

A successful Christmas party was held last Wednesday evening by American Legion Auxiliary, Unit No. 596, with children and grandchildren of members as guests of honor. After a Christmas program presented entirely by the children, Santa Claus arrived with gifts and treats for all. Those participating in the program were Linda Hartigan, Mary Knowles, Susan Burch, Judy Clever, Barbara Clever, Darlene Testa, Barbara Dye, Kurt Olson, Kris Olson and Dick McFall.

Carol singing was led by Mrs. Rex K. Fuller with Mrs. Harold Olson at the piano. Refreshments were served at the close of the meeting with Mrs. Harold Olson and Mrs. Jonnie McFall in charge. The next meeting will be January 12, when the 13th District President, Mrs. Gerry Kerr will make her official visit to the unit.

Faculty Party At Cambrian School

At the Cambrian School faculty Christmas party on Saturday evening in the cafeteria, Lee Dugan was chairman of entertainment, providing a skit relative to Miss Carmen LaMalfa, "This is Your Life".

Mrs. Ray Wilson led in community singing, and music was provided by Paul Lozar, Tony Rapisarda and James Canavero with piano, drums and clarinet. There was a tree and an exchange of gifts.

HIGH SCHOOL FACULTY IN CHRISTMAS PARTY TONIGHT

Job's Daughters Install Council

Initiation of seven new members and the installation of a new council took place last Saturday during a meeting of the International Order of Job's Daughters. New members recited the obligations under the direction of Diane Williams.

Council members are Mrs. Esther French, guardian; Les Titus, associate guardian; Mrs. Ethel Whitson, guardian secretary; Oliver Beuhner, guardian treasurer; Glenn Burrows, director of music; Mrs. Mary Eckhardt, promoter of paraphernalia; Mrs. Evelyn Peterson, promoter of sociability; Mrs. Elizabeth Gerlach, promoter of finance; Mrs. Lita Dale, promoter of hospitality; Mrs. Frances Newton, promoter of philanthropy and good will; Mrs. Virginia Howard, director of epochs; Mrs. LaVerne Bitzer, promoter of activities; and Reverend Edwin Bowling, fraternal relations.

DeMolay To Hold New Year Dance

Campbell Chapter, Order of DeMolay will hold its annual New Year's Eve Dance December 31 at Moreland School cafeteria. There will be a live band for dancing and refreshments served. Members of DeMolay and their friends are welcome. Bids may be obtained from Bud Feasel, FR 8-3958.

FAMED PIANIST IS HEARD HERE

Theodore Ullman, one of the nation's top ranking pianists gave two performances at high school assemblies Monday as a part of the experiment being conducted today to bring high-calibre artists to a cross-section of schools throughout the nation.

Campbell Union High School has been selected as one of four high schools in the United States where such artists are appearing in 1954. Last year it was Livermore High School to have one of the artists.

The experiment seeking appreciation of classical music is being conducted by the Music Foundation Artists Bureau of New York City.

Ullman's performance here was well received at the 9 and 9:50 a. m. assemblies.

After playing Brahms, Beethoven, Shostakovich and Ravel in the first assembly, and Chopin, Rachmaninoff, and Debussy in the second, Ullman said of the local high school audience:

"These boys and girls were unbelievably kind to me. It is a pleasure to perform before such a most appreciative audience."

Ullman was at the lunch table when he spoke, now relaxed, and in a sport shirt. Earlier, in a dark suit, he had thrilled both assembly groups with his mastery of the music of the past, and especially with an encore of the present day, "Mountain Tune", by Keeney, in which everyone recognized some familiar folk medleys.

Choir Performance at Festival 'Superb'

The Campbell High A Capella Choir again gave one of the outstanding performances at the San Jose A Capella Choir Festival, held December 9. The San Jose Civic Auditorium was filled to capacity for this annual event, in which 10 local high schools choirs participated.

The program was highlighted by the traditional candlelight procession during which the 750 members of the massed choirs, filed into the dark auditorium, which was lighted only by the muted flashlights they carried.

Campbell, appearing fifth on the program received two rounds of applause while preparing to sing, in recognition of their fine reputation and previous performances. Their two numbers "Kyrie Eleison" and "Wassail Song", were enthusiastically received by the audience of over 3,000 people. The Campbell choir then received six more rounds of applause as they returned to their seats. Campbell was the first school to receive such an ovation.

The critics comments, though made on a non-competitive basis, included such adjectives as "Superior", "Excellent" and "Superb".

A representative from the Standard Hour, heard on a major radio network, was present to explore the possibilities of including a future festival in their Christmas series.

A tape recording of the entire program, made with the help of C. P. Klassen, of Campbell High, will be broadcast on December 24 at 10:05 in the evening over Radio KEEN.

Star Circle OES Elects Officers

New officers were elected for the ensuing year when Star Circle, social organization of Campbell Chapter Order of Eastern Star met recently at the home of Mrs. R. Nelson on Dry Creek Road. Officers are Mrs. Glen Kellogg, president; Mrs. Glen Chamberlain, vice president; Mrs. George Hatlen, secretary; and Cora Kaufmann, treasurer. Installation will be held January 28, at 7:30 p. m. in the home of Mrs. Wilfred Peterson at 65 N. Milton Avenue.

Co-hostesses assisting Mrs. Nelson were Evelyn Buck, Georgia Daugherty, and Anna Abrahams.

B.P.W.C. Makes Doll Award

Mary Jo Eyth, of 14727 Bronson Street, Cambrian Park, is the winner of the doll with the complete wardrobe of clothing which the Business and Professional Womens Club have had on display around town. She was awarded the doll in a drawing held during the Club's annual Christmas party at the home of Cecile Daniels on Payne Avenue. She held number 623, the lucky ticket. Proceeds will be used by the Club to bring Christmas cheer to needy families.

10:05 in the evening over Radio KEEN.

Albert Smith Passes Away

Funeral services will be held this morning at the Darling, Fischer, Krug Memorial Chapel for Albert N. Smith, who died Monday in a San Jose hospital after long illness. He made his home at 660 S. San Tomas Road and had lived in the Campbell area eleven years. He was a retired machinist and native of Washington.

Smith is survived by his widow, Laura, and was the father of Guy Smith of Campbell, Donald Smith of Santa Clara, Imogene Sage of Montana, Virginia Maginca of San Jose, and seven grandchildren. Interment will be in Santa Clara City Cemetery.

Campbell Register

Mr. and Mrs. ARTHUR JACOBUS of 369 Milton are the proud possessors of triplets. The unusual thing about these triplets is that they are chinchillas. Beginning with a pair in May, they have increased to a herd of seven. The little animals are kept in especially constructed cages on a mountain ranch.

Gil Schaper, son of Mr. and Mrs. L. SHAPER of 41 Carlyn avenue has been accepted into the Silver Sabre Society at San Jose State College where he is majoring in real estate and insurance. He is a graduate from Campbell high school.

Newcomers to our City are Mr. and Mrs. G. M. RAVEN of 741 Lovell Avenue who have moved here recently from Maine. Tuesday they picked up the family pet at the Campbell Depot, an air-dried dog, who had just made the long trip from Maine by train. The Ravens found it necessary to first establish their home before sending for their pet.

Phil Gresham, son of Mr. and Mrs. ROBERT GRESHAM of 262 Esther avenue received his letter at Wheaton College at Wheaton, Illinois, as a member of the football team there. His playing position is halfback and he was in intercollegiate play. Wheaton is a Christian college of 1700 students, and the football team has never been below second place in league standing since 1946. Gil Dodd, the track coach, formerly held the world record for the mile, until broken last Spring by Bannister of England.

Parishioners at the Campbell Assembly of God Church on North Winchester Road this week raised their pledge for funds with which to buy property for parking, so that the church building may be enlarged.

Mrs. WALTER WILLIAMS and sons Roland and Bobby of Quito Road, motored to Fort Lewis, Washington, last Monday to visit Mr. and Mrs. Ray Williams and daughter Debbie. Ray is another son of Mr. and Mrs. Walter Williams. They will return some time this week.

Mrs. ROY JUEAL of 751 Shady Dale Avenue hosted the Isabelle Circle of the Congregational Church with a Christmas party last Thursday evening. Audrey Del Four was co-hostess for the affair.

Reverend and Mrs. CORWIN OLDS have returned from a two day trip to Sacramento where Reverend Olds looked into a bit of legislation.

Mrs. GLEN ROBINSON of 521 Apricot Way returned last week from a week's visit in Pasadena with her son and his family, Mr. and Mrs. Glen Robinson Jr. and sons David and Michael. Her trip was made primarily to see her little grandson Michael who is seriously ill in a hospital.

ROLAND WILLIAMS, Pipe-Fitter 2nd Class, son of Mr. and Mrs. Walter Williams of Quito Road, is home on a twenty day leave from the Navy. He will return to duty at San Diego on December 23rd and will receive his discharge on January 11th. Young Williams has been assigned to Fort Marion L. S. D. No. 22 and is stationed in San Diego. When he receives his discharge he will have completed four years service in the Navy.

Celebrating her birthday, Mrs. J. H. BACHMAN of 300 Harrison Avenue, was the guest of honor at a family dinner given by her daughter Mrs. W. L. Walker, of 136 Sunnyside Avenue, on Sunday of last week. Those present were Mr. and Mrs. M. K. Bachman with daughters Laureale and Christy, from Livermore; Mr. and Mrs. M. L. Walker with son Billy; and Mr. J. H. Bachman.

FRANKLIN W. HALE of Campbell received public schools service credentials in completing a post graduate course at San Jose State College this week. He was listed among 152 receiving degrees.

Happy Blue Birds In Ceremonial

Blue Bird pins, earned by learning their song and wish, were presented to the Happy Blue Birds in a ceremonial last Tuesday evening at the Rosemary School. The group of third graders planned and presented a program for their mothers which demonstrated their projects of this year, such as making tray favors for the County hospital, toys, small purses and other articles. Another group of eight girls held one letter each of the words "Blue Bird" and recited a little verse describing their activities.

Following the program, the Blue Birds served refreshments to their mothers, assisted by the Luta Horizon Club girls; Mrs. Boyd Rappe, leader; and Mrs. N. Johnson, assistant leader.

Blue Birds present for the ceremony were Michele Ferraro, Eugenia Oeser, Mary Beth Rogers, Merikay Barker, Joyce Price, Carol Johnson, Carol Baldwin, Cynthia Brett, Diane Sather, Martha Bradshaw, Gloria Carpenter, Diana Edwards, Joanne Freitas, Marty Marie Wiedemann, Diane Johnson, Kristen Hutchinson, Bonnie Rappe, Toni Hatt, and Kathy West.

A Christmas party is being planned for Tuesday at the home of Eugenia Oesers, at 870 Winchester Road.

Consuls Debate Island Of Cyprus

The "Island of Cyprus" was the topic of debate when the World Affairs Council met Sunday in the home of Mr. and Mrs. Robert Free at 2570 Westgate Avenue in San Jose. Principal speakers were John Tzounis, acting consul general from Greece; and John Ford, British consul.

Tzounis, speaking for the Greek island which has been under British rule since 1878, believes the island should be able to formulate its own political policies and set free as have other British holdings. The British reject this idea as they have strategic reasons for holding the island, one of the three largest in the Mediterranean. They fear it might fall into communist hands and thus endanger surrounding countries.

Prior to the debate, Norman Stoner, president, introduced the executive board and officers of the Council, whose purpose is to keep people better informed on world affairs. Reception arrangements were made by Mrs. Robert Teegarten, housing chairman.

The United States is the world's largest consumer of mica but produces only a small part of its requirements.

YOUR "LUCKY" GUEST COLUMNIST FROM THE SIDELINES

By MAXWELL STILES
Sports Columnist
Los Angeles Mirror

(EDITOR'S NOTE: Maxwell Stiles, now in his early fifties, began writing sports for the Los Angeles Examiner in 1921 and has covered nearly all sports on the western scene for that newspaper, the Oakland Tribune, the Long Beach Press-Telegram and, since the paper was born in 1948, for the Los Angeles Mirror. He concentrates on football, track and field, golf and tennis and has written books on the history of the Rose Bowl and Shrine East-West games.)

Pasadena's famed Rose Bowl, granddaddy of all post-season football games, has been the scene of many heroic deeds. There were also the zany, the unusual, the unexpected and the tragic. Rarely has the game been dull.

Highlights are too many to be told in one column, but as Ohio State and Southern California prepare to meet in the 1955 game football fans everywhere will be interested in a few. Here are some I remember best:

It all began with Michigan's 49-0 victory over Stanford on Jan. 1, 1902, but the first Tournament of Roses was held on New Year's day, 1890.... No one has since touched Neil Snow, Michigan fullback, who scored five touchdowns, or the immortal Willie Heston, who gained 170 yards in 18 carries.... Heston made the game's first long run, 21 yards to Stanford's 8 to set up the first of all Rose Tournament touchdowns.

Dan McGugin, the famed Vanderbilt coach, played left guard on that Michigan "Point A Minute" team.... Among others who later became well known coaches, after having played in a Pasadena game, were Lou Little, George Halas, Wallace Wade, Charley Bachman, Noble Kiser, Elmer Layden, Jim Crowley, Harry Stuhldreher, Dick Hanley, Turk Edwards, Bill Kern, Shy Huntington and Ed Walker....

Hugo Bezdek, the only man who ever coached both an Eastern and a Western team in the Rose Bowl series, nearly came to blows with Southern California's Elmer (Gloomy Gus) Henderson on the 50-yard line before the start of the 1923 game.... Bezdek's Penn State team arrived 15 minutes after kickoff time and Henderson accused Hugo of using delay in traffic as a ruse to escape the mid-day heat.... The game started 55 minutes late and finished by moonlight, the scribes having to strike matches in the press box to do their work because there were no lights....

This 1923 game was the first ever played on New Year's Day in the present stadium, and it was not until this game that it became known as "The Rose Bowl Game".... A Pasadena sports writer named Harlan F. (Dusty) Hall gave it that name in his pre-game buildup....

When the series was renewed in 1916 after a lapse of 14 years, the victorious Washington State team was coached by a movie-struck former Carlisle Indian named William H. (Lone Star) Dietz who wore a high silk hat, tails, and spats and carried a cane.... Dietz had his team practice before the cameras at Universal Pictures in a flicker called "Brown of Harvard".... The players earned about \$75 apiece, bet it on themselves and really cleaned up when they beat Brown, 14-0....

Howard Jones, famed USC coach, died without ever learning that Joe Wilensky, an assistant who was working the field telephone, faked a message from upstairs to send Doyle Nave into the Duke game.... Nave threw four consecutive passes to Al Krueger to win the game and Jones never did learn how Nave really got into the game.... Later Nave, stopping to sign autographs, missed the team bus and had to walk home from the game he had just won....

George Wilson of Washington was the Rose Bowl's greatest one-game player.... The first three times Southern Cal's Russ Saunders lifted his right arm to pass in the 1930 game against Pitt the Trojans had three touchdowns.... Two men have played 60 minutes in each of three Rose Bowl games, 180 minutes in all.... They were Hollis Huntington of Oregon and Mare Island and Bob Reynolds of Stanford.... Reynolds did it in consecutive games.

RICE PORCUPINE SOUP

A luncheon menu that knows no season is soup and sandwiches. The soup is all-important in a meal of this type, and you can't go wrong when you serve this Rice Porcupine Soup.

It has the flavor of old-fashioned home-made soup which has been simmering for hours, and yet Rice Porcupine Soup can be prepared in less than an hour. The rice in the meat balls fluffs up and keeps the meat juicy and flavorful.

1/2 pound ground beef
1/2 cup uncooked rice
1/2 cup minced onions
2 teaspoons salt
1/2 teaspoon pepper
2 tablespoons shortening

1/2 cup diced carrots
1/2 cup diced celery
1 10-ounce can condensed tomato soup
4 cups water
1 small bay leaf

Combine meat, rice, and half of the onions, salt, and pepper. Mix thoroughly. Shape into 18 small balls. Brown in heated shortening.

Place meat balls in 4-quart kettle. Add carrots, celery, tomato soup, water, bay leaf, and remaining onions, salt, and pepper. Bring to a boil. Lower heat and simmer slowly about 45 minutes. Remove bay leaf.

Serve piping hot with crackers or hard rolls. Yield: Six servings.

SPEAKING & CARDS

OLD FAMILIAR FACES

Without shuffling through a pack of playing cards, can you tell which is the only Queen holding a sceptre? Of the four Kings in the deck, which is the only one shown in profile? How many kings sport mustaches? Do these regal characters have any real basis in history or mythology?

Although almost everyone plays cards, few people know that the royalty of cards were once real monarchs and that their likenesses on cards haven't changed much over the centuries since cards were invented.

The original Queen of Spades, for example, is supposed to have been a likeness of Pallas Athena, mythological Greek goddess of war and wisdom. Of all the ladies of the deck, she alone holds on to one remnant of her ancient dignity—the sceptre of royal power.

Her partner in the suit, the King of Spades, represents the Biblical King David whose name appears in some French decks painted before 1500.

The King of Hearts of today, sole clean-shaven monarch of the pack, represents the great Charlemagne, first king of the Holy Roman Empire.

A hand-painted Venetian card of 1475 actually bears his name with a reproduction of his shield.

The Queen of Hearts is identified with Isabella of Bavaria, queen of King Charles VI of France.

The King of Diamonds, only ruler shown in profile, represents the great Julius Caesar. Fifteenth century playing cards bear the Emperor's name and also the fasces, Roman symbol of civil authority, which has become the halberd of our modern decks.

His spouse, the Queen of Diamonds, is said to have been inspired by the Biblical Rachel.

Although the King of Clubs rules over the weakest bridge suit, he represents the great conqueror Alexander the Great. The other reigning member of the suit, the Queen of Clubs was inspired by Regina Marie d'Anjou, wife of Charles VII. The Queen of Clubs is also the very first of the so-called "two-headed" court cards, making her appearance about 1827; all previous ones having been full-length portraits with a top and a bottom. Thus she was one of the first monarchs of the card kingdom to take on the appearance of the modern face cards.

People often wonder why the pictures on the face cards aren't made to look more modern. Attempts to alter the venerable features of the pastboard royalty in the past have stirred up such storms of protest that the efforts were quickly abandoned.

It appears that while other things change, modern card players prefer and enjoy the same old familiar faces which entertained their great-great-grandparents.

Honors Won by California 4-H'ers

HONOR AWARDS were received by 4-H Club members for their impressive records in the 1954 National 4-H Canning, Electric, Home Improvement, and Tractor programs. An educational trip to the 33rd 4-H Club Congress, Chicago, November 28-December 2, was received by each teen-ager. Highlights of their club careers follow:

Camilla Scott, 16, of Moorpark, turned her efforts toward making the interior of her home more comfortable and attractive in the 4-H Home Improvement program. State honors and an all-expense trip to the National 4-H Club Congress in Chicago were awarded to Camilla by the Sears-Roebuck Foundation.

Camilla has been in 4-H seven years. Her mother, Mrs. Clyde Scott, is her club leader. Home furnishing has been her major project for the last five years, and she has made or remodeled 56 articles. She has won several awards at the county fair for her home economics and safety demonstrations. Camilla has planned and carried out the complete redecoration of her own room, and designed some of the furniture.

Production costs on the Lima

Camilla Scott

Charles Lima, Jr.

farm near Fresno, have been kept low because tractor repairs have been minimized by Charles, Jr., 15, who was awarded an all-expense trip to the National 4-H Club Congress in Chicago as a guest of General Petroleum Corp. California winner in the 4-H Tractor program, Charles has given a total of seven tractor demonstrations and received a ribbon at the district fair.

Charles has completed a total of 1,188 hours in servicing and operating his tractor. In one year he drove the tractor nearly 160 hours, helping his father mowing and raking hay, cultivating, furling and discing their vineyard and alfalfa and cotton fields. His local leaders are D. E. McCown and Marion Seibert.

All these programs are conducted under the direction of the Cooperative Extension Service.

Wesley Jacobsen

Karen Floth

State honors in the 4-H Canning program for 1954 in California were awarded to Karen Floth, 18, of Lodi, who put up 1,381 jars of fruit, pickles, jams, jellies and vegetables in her nine years. Kerr Glass provided her all-expense trip to the National 4-H Club Congress in Chicago.

Her mother, Mrs. Jack Floth, local club leader, commends Karen highly for taking over all the family canning when her mother's wrist was broken. As junior's assistant leader Karen has taught cooking and sewing, has been president of her club and served on the camp and fair committees in the County Council. Karen's Canning project has helped the family food budget and given variety and balance to the meals.

All these programs are conducted under the direction of the Cooperative Extension Service.

OUR DEMOCRACY by Mat

THREE SCORE YEARS AND TEN

THE 70 YEARS WE READ ABOUT IN THE BIBLE AS THE LONGEVITY MARK FOR INDIVIDUALS, HAS JUST ABOUT BECOME THE LIFE EXPECTANCY AT BIRTH FOR AMERICANS AND SOME OTHER PEOPLES. SINCE THE START OF THIS CENTURY, WE HAVE ADDED MORE THAN 20 YEARS TO OUR LIFE SPAN.

CONSEQUENTLY, WE THINK MORE AND MORE OF RETIREMENT INCOME, EVEN WHILE WE INSURE OUR LIVES AND PROTECT OUR LOVED ONES, IN CASE... WE PREPARE FOR THE DAY WHEN WE INDIVIDUALLY MAY PASS "THREE SCORE YEARS AND TEN."

UNION AVENUE IMPROVEMENT PLANS ARE HALTED BY SAN JOSE ANNEXATION

Because San Jose has pushed its boundaries to Union avenue through stip annexation, work previously scheduled through federal funds on improving Union avenue in Cambrian Park, had to be dropped. This is according to Leonard Bushnell, county engineer, when the matter of having the \$130,000 restored to the county budget came up before the Board of Supervisors on Monday.

Moreland To Buy New School Site

A 10½ acre site in Strawberry Park is to be purchased by the Moreland School district for a fourth school at such time as needed, according to action taken Tuesday evening by the school board. It is in the center of a 115 acre subdivision on the Driscoll Berry farm, now a Jules Duc subdivision.

Final plans for Escuela La Palma at San Tomas and Bucknell are awaiting approval at Sacramento so that work may be started on the building this Spring.

At the meeting Tuesday a Citizens Advisory committee was proposed to work with the school board on matters related to the welfare of the district as a dozen or more subdivisions are developed in the district. Letters seeking that this committee be set up have been sent to the Moreland and the El Quito PTA groups and to the Dads Club.

The San Francisco Museum of Art is located in the Veterans' War Memorial Building in the Civic Center.

Cub Pack 10 To Enact Mexican Christmas Play

Besides an exchange of gifts among the boys, there is to be a presentation of "Las Posadas" a Mexican ceremony for the Christmas season, when Pack 10 meets tomorrow evening at the Cambrian School auditorium. Den 1 is to take over this part of the program with Mrs. Connie Cloyd in charge.

The program was planned recently at the home of Mr. and Mrs. Leonard Wickliffe when Den Mothers Dolores Lathrop of Den 4, Connie Cloyd of Den 1, Lorraine Gerin of Den 3, Ella Mae Wickliffe of Den 2 and Mary George of Den 6 were present. Committeemen present were Cub Master Henry Schatmeier, Assistant Cub Master Arch Kennedy, Secretary William Gilbert and Den Dads Leonard Wickliffe and Albert Handley.

At the program tomorrow evening the flag ceremony is to be conducted by Dennis Lathrop, Roy Jueal, George Manuras and Danny Schaefer.

Boys in the Pack have been busy making scrap books for children in the county hospital.

Den Mothers have been working hard toward success of the meeting tomorrow evening and urge that parents attend.

Cubs of Pack 10 are still talking about the football game they saw November 28 between San Jose State and the University of New Mexico. Adults attending with the Cubs were Henry Schatmeier, Leonard Wickliffe, Mary George, Mr. and Mrs. William Gilbert and Mrs. William Fuller. Cubs attending were Dickie Dodge, Dean Bowman, Clark Heinrich, Randy Tonascia, Mel Wickliffe, Jim Gilbert, Bruce Schatmeier, Dennis Lathrop, Ray Babcock, Bill Fuller, Mike George, Joe Civiletti, Tommy Raphael, Douglas Lathrop and Joe Ross.

HANGER CONTEST NEAR FINISH

The coat hanger contest for children being sponsored by the Golden State Cleaners located at 310 E. Campbell Avenue is drawing to a close, but it is still not too late to get more hangers entered in the race. The contest closes Wednesday, December 22, and the winner will be announced the next day, Thursday, December 23, in the Campbell Press.

According to John Cooper, owner of the plant, there are seven children in the contest vying for first place. Of these the top three are Ronnie Mills, 9 1/4 years old, of 23 N. Hardy with 2275 to his credit; Ritter Kurt, 10 years old, of 79 Alice Avenue with 2200; and Jerry Attix of 55 E. Rosemary Lane with 1600 to his credit.

First prize is an English racing bike with gear shift and caliper brakes; second, a \$7.50 purchase

STATE PLANS EXTENSIVE ROAD WORK PROGRAM HERE IN 1955

Preliminary work is under way on additional units of Route 5 freeway between Los Gatos and San Jose to get under way later in 1955, according to an announcement from the office of B. W. Booker, assistant State Highway Engineer.

The contract for the road work on the freeway through Los Gatos has been awarded. In the meantime, work is progressing on the Main Street bridge unit of this project. This 2.4 mile bypass is scheduled for completion in November at a total construction cost of \$1,700,000.

The Highway Commission is considering relocating route 9 in the Alviso area to provide a more direct alignment and as a precaution against flooding during high tides.

In San Jose area the department has approved spending \$1,600,000 on the Bayshore freeway from Santa Clara street to Rosa Street. On Alum Rock avenue preliminary work is under way on a proposed drainage improvement at Silver Creek. San Jose, Santa Clara County and the State will participate in the cost of this project. A fourth lane will be added from Ford Lane to Llagas Creek, some 12.8 miles to cost one million dollars. This will make Bayshore freeway four lanes from Gilroy to San Francisco.

First National Bank Appoints 4 New Officers

The Board of Directors of The First National Bank of San Jose have promoted three officers and appointed four new officers, effective at once. King Beach, Assistant Cashier was promoted to Assistant Vice President; J. Ben Walford, Jr., Assistant Cashier, promoted to Assistant Vice President; George M. Roll, Assistant Cashier and Assistant Manager at the First-Willow Office, has been appointed Assistant Cashier and Manager of the First-Willow Office. J. V. Erickson, Richard D. Lang, J. J. Lawrence and C. F. Weinert were appointed Assistant Cashiers. In announcing these appointments, Joseph Rogers, President of the Bank stated "These advancements are in line with the progressive policy of the Bank in expanding its services to the community."

San Francisco's Twin Peaks are 904 and 910 feet high, respectively. order good in any Campbell Stamp Association store; and third, a \$2.50 purchase order also good in any Stamp Association store.

DISTRICT 4 SEWER JOB ABOUT DONE

About 65 percent of the Rinconada Heights-Vasona Junction sewer project has been completed according to Stephen Goodman, manager of Sanitation District No. 4.

Goodman said the Stroud-Seabrook Co. of Bakersfield is working to make the Dec. 31 deadline for the project. Included in the \$201,000 contract is installation of sewers near Stevens Creek road and Maplewood avenue.

About 75 per cent of main sewers have been installed in Rinconada Heights, which is being developed residentially by the W. R. Kalsched & Co., Inc.

The contractors will continue to regulate traffic along Santa Clara-Los Gatos road south of Vasona Junction until lateral sewers have been installed, Goodman said.

The Stevens Creek road job, which includes Maplewood, Forrest and Henry avenues and Douglas, is 95 per cent finished, Goodman said. Residents may be able to hook up sewerage lines by next Friday, providing District 4 directors accept the new lines at their meeting Thursday night.

Mrs. M. Osburne, Minister's Mother Claimed By Death

Mrs. Maude G. Osburne, 72, mother of the Rev. Dr. Lawrence Osburne, former pastor of the Methodist Church here, died Thursday in a San Jose hospital after a brief illness.

A Campbell resident for seven years, she lived at 251 Esther Ave. She was a member of the Methodist Church, the WSCS of the Church and the San Jose WCTU chapter.

Besides her son, who is now in Stockton, she leaves her husband, Thomas E. Osburne; another son, Norman Osburne, M. D., of Maryland, and five grandchildren.

Funeral services were held Friday at 11 a. m. in Darling-Fischer & Krug Memorial Chapel.

San Jose Abstract & Title Company, 70 North Second Street, San Jose will build an addition to its office at estimated cost of \$33,000. Contractor is N. Lamb of Campbell.

CHURCH TO HOLD SPECIAL SERVICES

Two special Christmas services will be conducted by Dr. Corwin Olds at the Congregational Church on Sunday, December 19, at 9:30 a. m. and 11 a. m. Christmas music will be sung by the large choir at both services.

Children of the Church School will present a Christmas program Sunday evening at 7:00 p. m. under the direction of Robert Thompson, director of religious education.

The annual Christmas Eve candle light service will be held at 11:00 p. m. with Dr. Olds giving an inspirational Christmas message. Music will be furnished by the choir under the direction of David Wight, with Mrs. Noble Hancock at the organ. A cordial welcome is extended to all.

Sanctuary Choir To Sing Carols

The Sanctuary choir of the First Methodist Church, located at 5th and Santa Clara, San Jose, will present a Christmas program Sunday, December 19, at 7:30 p. m. It has been a tradition for the past ten years for the choir to sing carols from many lands.

The program will be opened with Mrs. Mildred Moyer, organist and accompanist, playing the prelude of "Fanfare," followed by the choir singing French carols, Christmas lullabies, and carols from Czechoslovakia.

The Candlelight service will be conducted by Reverend Joyce Farr.

Fair Dates Set

MONTEREY, Dec. 13.—Dates for 1955 district and county fairs in the Central and South Coastal area have been set by each fair and released today at the 32nd Annual Meeting of Western Fairs Association here.

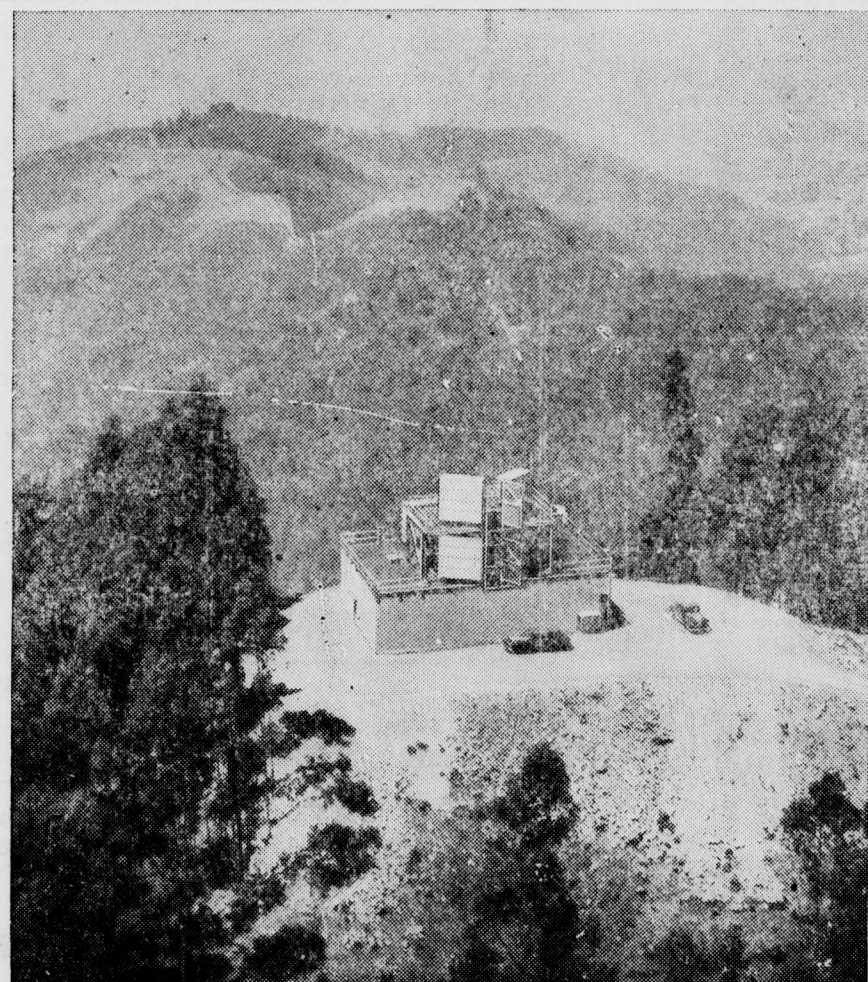

C. L. "Link" Peckinpah, president of WFA said, "This is the first time in the history of fairs in the west that a list of their dates has been ready for distribution to livestock breeders and general fair exhibitors by Annual Meeting time. Most Californians do not realize that through the 5.54% state tax on pari mutuel wagering there are one or more fairs in progress someplace in the state 11 months of the year."

1955 dates for fairs in the Central and South Coastal area are: Oakland Garden Show, Oakland, April 29-May 6; Salinas Valley Fair, King City, May 19-22; Alameda County Fair, Pleasanton, June 24-July 7; Santa Barbara County Fair, Santa Maria, July 27-31; Contra Costa County Fair, Antioch, Aug. 4-7; San Mateo County Fair and Floral Fiesta, San Mateo, Aug. 5-13; San Luis Obispo County Fair, Paso Robles, Aug. 18-21; San Francisco Flower Show, San Francisco, Aug. 25-26; Monterey County Fair, Monterey, Aug. 25-28; Santa Clara County Fair, San Jose, Sept. 12-18; Santa Cruz County Fair, Watsonville, Sept. 22-25; California Rodeo, Horse Fair and Stock Show, Salinas, July 14-17.

World Affairs Council Debate

The "Island of Cyprus" was the topic of debate when the World Affairs Council met Sunday in the home of Mr. and Mrs. Robert Free at 2570 Westgate Avenue in San Jose. Principal speakers were John Tzounis, acting consul general from Greece; and John Ford, British consul.

Lonely sentinel keeps your calls going through. This microwave radio-relay station overlooking San Francisco Bay is part of a chain that links the Pacific West with the East. Its job: to carry your long distance telephone calls and TV programs. And as it works, no human eye need watch it. For if trouble threatens, it automatically switches itself to stand-by equipment . . . so your calls keep going through. At the same time, an alarm alerts a testman on duty miles away. Frequently, he can tell what the trouble is—right from his desk. This is one more way we guard your service . . . while also keeping it low in price. Pacific Telephone works to make your telephone a bigger value every day.

FISHING WAS GOOD For this quartet from Campbell who got the limit of two steelhead trout each on Saturday morning on San Lorenzo Creek. Largest of the catch weighed six pounds and the eight fish weighed a total of 33 pounds. In the picture with their fish are left to right, Paul Schommer of 365 Harrison, Verle Weitzel of 263 Leigh, Harley Gorder of 333 Hamilton and, kneeling, Jerry Gomes of 200 Hamilton avenue.

Moreland Will Repeat Yule Program Tonight

Moreland School is to present a Christmas program again this evening in the cafeteria, similar to the one presented last night.

The orchestra, under the direction of Miss Margaret M. Sanfilippo will play various carols throughout the entire program while each class is getting ready for their entrance on the stage.

The following is the program:

Senator Thompson Has Safety Plan

State Senator Jack S. Thompson has a unique suggestion to hand to California's new liquor control administrator who takes office on January 1.

Thompson's idea is that identification cards be issued by the State to interested teenagers and young adults. The ID would include date of birth, description and photograph.

Aside from being useful in proving age when gaining employment, attending sports events and other things, the card would make it easier to stop the purchase of liquor by minors.

An alert tavern owner or liquor salesman, aware of the heavy penalties involved in selling liquor to teenagers, wouldn't have to rely solely on a driver's license for proving age of the purchaser.

"Many youngsters are carrying mutilated or falsified operator's licenses today in order to circumvent the law," Thompson said. "An identification card, issued by a responsible State agency, could be issued to persons up to 25 years of age. This would give those over 21 proof of their age and eliminate much of the below-21 traffic in California bars."

Machine tool manufacturers sold about 11 per cent of their production to foreign countries in 1952.

More than 100,000 tons of steel were used in the construction of the Golden Gate Bridge at San Francisco.

NAVY CITES CAMPBELL MAN FOR RADIOACTIVE CONTROL SERVICE AT CHALK RIVER ATOMIC PLANT

Ross K. Fuller, son of Mrs. Evabelle Fuller, 421 N. San Tomas, has been commended for the part he played in decontaminating a radioactive building in Canada and helping in the recovery from the situation created when the nuclear reactor broke down at Canada's Chalk River Atomic energy Project. He graduated from Campbell High School in 1945 and from San Jose State with a B. A. Degree in 1949. He is a chemist at the U. S. Naval Radiological Defense Laboratory in San Francisco.

Although this breakdown, which caused extensive internal damage, occurred in December, 1952, complete details were published only recently in the United States and

JUDGE WALSH TALKS AT CAMPBELL HIGH

Judge Martin Walsh spoke Tuesday before the Commercial Law class at the Campbell High School on "Rights of Monors Regarding Contracts". The talk was followed by a question and answer period.

CAMPBELL JAYVEES BOW TO SAN LORENZO

Campbell High School junior varsity cagers dropped a 29-22 decision to San Lorenzo High School Tuesday at San Lorenzo Village. Blymers led the East Bay quintet with six points, while Jerry McSpaden and Al Peterson tallied four each for the Bucs.

Coffee, valued at \$171,994,226, was the leading import commodity received through the San Francisco Customs District in 1953.

Fire Department Issues Public Information

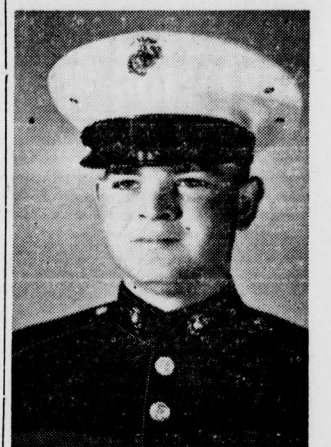

The Fire department has issued some information to the public as a result of an illegal burning at 92 E. Campbell Avenue last Wednesday. There was no damage.

Burning hours within the City are as follows: Monday, no burning; Tuesday through Saturday, from 6 a. m. until 12 noon; Sunday 6 a. m. to 6 p. m. All burning must be done in an approved incinerator. Permits are required for all fires on the ground, such as bonfires, trash, and prunings. It might be well to post these telephone numbers of the Fire house in a convenient place close to the phone. For business call FR 8-7115. For Fire only, call FR 8-2600.

Another timely bit of information concerns fire proofing of Christmas trees. The Fire department suggests the following solution:

9 ounces of borax and 4 ounces of boric acid to be added to one gallon of water. The tree should be sprayed with three separate coats and the butt of the tree put in a water container to absorb more moisture while in the house.

Green asparagus is allowed to grow until the spear extends several inches above the ground to enable the sunlight to turn it green.

Pfc Hugh A. Moore, son of Mrs. Owen Crump of 81 Kennedy avenue, now serving with the First Marine in Korea, is a former Campbell high school student.

The San Francisco municipally owned Opera House was the birthplace of the United Nations in 1945.
